Gentlemen:--

We have your order #35 of the 28" inst. for one Spindle for No. 3 Surface Grinding Machine as described on page 5 catalogue 1898. (We presume you mean page 56). We expect to send this about August 25. Our works close for annual vacation and repairs the first two weeks in August, as you will see by enclosed slip, and we can do nothing on this order until after we start up.

Thanking you for the order, we remain

Gentlemen: - As the machine you have ordered must be one of the first made and quite different from what we make now, it will be necessary for us to have the old spindle or a correct drawing of same in order to duplicate it. If the old spindle is sent, we should not need it before Aug. 17th and we could return it at once if necessary, as we should only want it to get dimensions.

Yours truly,

The Brown & Sharpe Mfg. Co.,
